THE DIRECTOR'S DIGEST
D. M. DOTY
TECHNICAL DIRECTOR

December 16, 1968
No. 54

FPRF MEETINGS

The Annual Meeting of the Members, the Annual Meeting of the Board of Directors and a meeting of the Research Committee were held in Chicago, November 19 - 20, 1968. The following Directors were elected and seated: Robert J. Fleming, Stanley Frank, John Haugh, C. L. Haussermann, Jr., Gene Hopton, Lloyd Hygelund, William R. Malloy, William P. Mitchell, Myer O. Sigal, C. H. Skinner, Dean A. Specht. Officers elected were:

Robert J. Fleming, Chairman of the Board
Myer O. Sigal, Vice Chairman of the Board
C. H. Skinner, Secretary-Treasurer
Evelyn Claypool, Assistant Secretary-Treasurer

A research budget of \$222,800 and a total budget of \$287,400 was adopted for fiscal year 1968-69.

Approval was granted to extend or renew a number of existing projects and the following new projects were approved for activation:

1. Preparation of an "Edible" Protein Fraction from Blood - Texas A & M University
2. Desalting and Dewatering Enzyme Rendered Meal - Amicon Corporation
3. Meat and Bone Meal in Poultry Rations - University of Arkansas
4. Fat in Midwest Beef Cattle Rations - Purdue University

5. Causes of "Soft Fat" in Broilers - University of Georgia
6. Testing Salmonella Antagonists (It is hoped that FDA clearance for using the formulations developed by Darling and Company can be obtained without extensive feeding trials).

Unfortunately it was necessary to discontinue a number of promising projects because of lack of funds.

The next meeting of the Research Committee and the Board of Directors will be held March 11, and 12, 1969 in Chicago.
